The Court:- GA/1/2023 is an application for amending certain figures in Coloumn 7A, 7B, 7D and the computation of the total awarded amount which the award-holder claims. The award passed under Part-II of the 1996 Act is dated 13<sup>th</sup> April, 2022.

The award-holder states in the application that the amendments sought for are necessary since there are certain mistakes in the earlier Tabular Statement not only by reason of typographical errors but also computational errors. Upon considering the statement made in the application in the nature of the corrections/amendments sought for, this Court sees no impediment in allowing the amendments.

GA/1/2023 is accordingly allowed and disposed of in terms of prayers made in the Master's Summons. The award-holder is given leave to amend the Tabular Statement and the affidavit in support thereof in the manner as indicated and the Department shall carry out the amendments within four weeks from today. The award-holder shall thereafter verify or reaffirm the Tabular Statement and the affidavit in support thereof.

Learned counsel appearing for the award-debtor seeks to take a point of maintainability of the execution case.

List EC/227/2023 on 23<sup>rd</sup> November, 2023.

The point of maintainability will be heard on the returnable date.
