For petitioner

The Court: This is an application for amendment of an application for grant of probate. The application for grant of probate has been filed by Ms. Rituparna Ray, the executrix named in the Will dated 18th December, 2012 said to have been left behind by the testator. The application for amendment has, however, been made through a power of attorney holder of the executrix.

After considering the proposed amendment indicated in red ink in a copy of the application for grant of probate being annexure-A to this application, I find that the same are formal in nature. The address of the testator in Kolkata has been sought to be inserted after the address which is already there. The

proposed amendments will also not change the nature and character of proceedings or wipe away any admission made on behalf of the propounder. The amendment as shown in red ink in a copy of the application for grant of probate and annexed to this application as Annexure – A are allowed.

The department shall carry out the amendments within three weeks from date. The executrix and her power of attorney holder shall cooperate with the department in carrying out the amendment. After the amendments are carried out, the executrix and not her attorney holder shall come and re-verify and/or re-affirm the application for grant of probate.

Nothing further remains to be adjudicated in this application.

The application being IA GA/1/2025 is, accordingly, disposed of.
