

IN THE HIGH COURT AT CALCUTTA
[CIRCUIT BENCH AT PORT BLAIR]

WPA/243/2025

Shri Charwa Kujur

Vs.

The Superintending Engineer and Another

Mr. S. Golder for the petitioner

Mr. S. C. Mishra ... for the respondents

June 16, 2025
[SR]
Item No.21

Learned counsel appearing on behalf of the petitioner submits that the petitioner wanted to make an application for electricity connection, but the electricity authorities were not accepting the same.

Learned counsel appearing on behalf of the respondents denies the allegation and submits that no such application for electricity connection was ever submitted before the concerned authorities.

The writ petition is, therefore, disposed of by granting liberty to the petitioner to make an application before the concerned electricity authorities praying for new electricity connection both physically as two weeks from date. Within four weeks from the date of receipt of such application, the concerned electricity authority shall consider the petitioner's application praying for electricity connection in accordance with law.

It is clarified that merits of the case have not been gone into by this Court.

As the writ petition has been disposed of without calling for affidavits, the allegations leveled against the respondents shall be deemed to have been denied.

With the above observations and directions, the writ petition is disposed of.

Urgent certified copy of this order be supplied to the learned counsels for the parties upon compliance of usual formalities.
