We have carefully gone through the review petition and the application for production of additional documents. The conviction and dismissal of appeal were based on evidence in this case. Observations in a judgment in a seperate trial of some other accused are of no relevance. Even that judgment shows that the dying declaration bears an endorsement by the doctor. Even if there was no endorsement both the doctor as well as the Executive Magistrate have deposed that Chhotey Lal was in a fit condition to make the dying declaration. We do not see any reason to review our earlier order. As such, the review petition is dismissed. The application for production of additional documents stands rejected.
