Responden

O R D E R

The application for oral hearing is rejected.

There is a gross delay of 677 days in filing the review petition.

Sufficient explanation has not been offered to condone the delay. The application for condonation of delay is dismissed.

Even otherwise, we have gone through the review petition and connected papers. We do not find that a case for review is made out.

Accordingly, the review petition is dismissed both on delay and merits.
