Delay condoned.
Apprehension of the petitioner is on the observations made by the Division Bench of the High Court on the merits of the case. Those observations were actually secured by the petitioner at his own behest. Even then the observations made by the High Court at the interlocutory stage is not expected to be of any persuasion when the court made it at final disposal. That apart, the Division Bench has observed only a prima facie view. Hence, we are not persuaded to interfere with the impugned order. Accordingly, Special Leave Petition is dismissed.
