O R D E R

There is an inordinate delay of 669 days in filing the review petition. The explanation offered in the application seeking condonation of delay is neither satisfactory nor reasonable. The application for condonation of delay is, therefore, dismissed. Even otherwise we have gone through the review petition and the connected records. We do not find any merit in reviewing our order dated 25th February, 2002. The review petition is, ther

efore, dismissed both on the ground of delay and merits.
