O R D E R

Referring to the averments made in the application for condonation of delay, the delay in filing the application for review stands condoned.

Applications for placing on record additional documents and exemption from filing official translation are allowed.

Prayer for listing and hear the present petition in open Court is rejected.

We have carefully perused the additional documents that have been brought on record and after bestowing our anxious consideration, we are of the view that there is no justification to entertain the review petitions, inasmuch as the grounds which have been urged warranting a review are really not tenable.

The review petitions are, accordingly, dismissed.
