O R D E R

This Court vide Order dated 5th April, 2006 dismissed the appeal for non-prosecution. Thereafter the appellant filed an application for restoration of the appeal in which the Registry has noted more than one defect. The Registry thereafter sent repeated reminders required the appellant to comply with the office objections. There has been no representation and the defects still remain uncured. The appellant is obviously not interested in prosecuting the matter.

The application for restoration is accordingly dismissed.
