On instructions from the Union of India, the learned Solicitor General of India has filed a signed statement. We have perused the same.

At the time of disposing of Writ Petition (C) No.212 of 1998 on 16th November, 1998, we had taken note of the statement made by the learned Attorney General for the Union of India to the effect that "that the Government of India is fully alive to the situation and its gravity and is taking all necessary steps to protect the interest of the nation". From the statement filed by the learned Solicitor General of India today in Court, we find that steps are being taken in that behalf. We take the statement of the learned Solicitor General of India on record and dispose of this application. It is consigned to record.
