O R D E R

There is an inordinate delay of 253 days in filing the present review petition. The

explanation offered in the application for condonation of delay is neither satisfactory nor

reasonable. Consequently, the application for condonation of delay is rejected.

Even otherwise, we have gone through the review petition and the connected records.

We do not find any merit therein. The review petition is, therefore, dismissed both on the ground of

delay and merit.
