It is contended by learned counsel for the petitioners that it was the admitted case before the Labour Court that the petitioners carry on the work of "engineering nature". In view of this finding the petitioners were entitled to the benefit of the Notificatioon dated 21.1.1999 by which the Engineering industry being carried on by any department of the State Government has been excluded from the purview of Madhya Pradesh Indusatrial Relations Act 1960. This issue does not seem to have been adverted to at all by the High Court.

Issue notice as to why the matter should not be remanded back to the High Court for determination of this issue.

Notice on the prayer for interim relief.
