UPON hearing counsel the Court made the following  
O R D E R

Since by an order dated 9th October, 2007, this Court had directed that the matter be listed once the larger Bench has considered the question as to whether a Government department is an industry, we are unable to pass any orders on this application, which is dismissed. However, this will not prevent the respondents from taking appropriate steps to have the reference disposed of at an early stage.
