Tamil Nadu Industrial Investment Corporation Ltd.

...Appellant

vs.

M/s Aavass

...Respondent

O R D E R

Leave granted.

The brief point raised before this Court is that the High Court while disposing of the appeal from an interim order had made certain observations as if it had concluded the entire dispute between the parties. Admittedly the suit in which the interim order was passed is pending. We therefore dispose of these appeals by directing that the observations of the High Court must not be taken to having concluded an issue to be determined finally in the suit and is limited to the disposal of the interim application. The suit shall be

disposed of on merits expeditiously without being influenced or in any way inhibited by the observations of the High Court.
