CIVIL APPEAL NO(s).3595 OF 2012

Appellant (s)

Respondent(s)

O R D E R

Leave granted.

We heard the learned senior counsel for the parties.

We find from the interim order dated 23.1.2012 passed by

the High Court of Kerala that the Corporation can dump only 90 tonnes of degradable waste per day in the plant in question. Further the High Court has also directed the Corporation to file an affidavit with regard to the steps, they have taken for the disposal of the existing waste. Since the matter is pending before the High Court, we find no reasons to entertain this appeal.

However, we are inclined to give a direction to the respondent - The Pollution Control Board - to see that the Corporation follows the guidelines and the standards fixed by the Board to avert an air and water pollution in that area.

The appeal is disposed of.
