1. As per the Office Report dated 10.04.2026, the review petition was found defective and the reasons thereof are pointed out in the said report. Despite this Registry's communication dated 12.02.2026 to the counsel for the petitioner to cure the defects, the defects have not been cured so far by him.

2. Even otherwise, having perused the review petition, we find that there is no error apparent on the face of the record. No case for review under Order XLVII Rule 1 of the Supreme Court Rules 2013 has been established.

3. The Review Petition is dismissed being defective and merits also.

4. Pending interlocutory application(s), if any, shall stand disposed of.
