UPON hearing the counsel the Court made the following
O R D E R

1. Having heard learned counsels appearing for both the parties. We notice that by our order dated 19.03.2026, we had directed the respondent to place on record the medical status of the petitioner to be evaluated by the jail doctors and the status report should be forwarded to the Court in a sealed cover. Accordingly, a sealed cover is handed over by the learned counsel appearing for the State and perusal of the report found in the sealed cover, we notice that the Medical Officer has opined that the case of the petitioner falls into "moderate to high risk category" and has also opined that ongoing treatment, in close monitoring and uninterrupted medical care, is required to prevent complications.

2. In the background of said medical report, we are of the considered view that petitioner

should be enlarged on interim bail for a period of 8 (eight) weeks subject to the condition that the petitioner shall not intimidate or contact the complainant or the witnesses named in the chargesheet in any manner whatsoever.

3. In the event of any complaint being lodged of such intimidation, the State as well as the complainant would be at liberty to move this Court for cancellation of the present interim bail which has been granted to the petitioner.

4. The trial Court would also be at liberty to impose such other and further conditions as it deems fit including directing the petitioner to cooperate with the trial Court in speedy disposal of the case by appearing on all dates of hearing without fail except when exempted by the Trial Court.

5. List after 8 (eight) weeks.
