Application for oral hearing is rejected.

There is an inordinate delay of 620 days in filing the review petition. An application for condoning the delay has been filed. We have perused the same and find that no cause, much less sufficient cause, has been shown for condoning the delay in filing the review petition.

we have perused the record and find no infirmity in the impugned order much less an apparent error on face of the record, so as to call for interference in this review petition.

The review petition is accordingly dismissed both on the ground of limitation as also on merits.
