O R D E R

When the matter is called on for hearing today, learned advocate for the State appears and on instruction submits that the petitioner's plea for remission has been rejected by an order passed on 27.04.2023.

In such situation, the said petition becomes infructuous and hence dismissed as infructuous.

The petitioner, however, shall be at liberty to take such recourse as may be permissible under the law in respect of the order by which his remission plea was rejected.

Pending application(s), if any, shall stand disposed of.
