Interlocutory Application No. 3 of 2013 for oral hearing is rejected.

This review petition has been filed by the petitioners-applicants seeking review of the order dated November 3, 2009 with application for permission to file review petition contending therein that they were the members of the Union which filed the special leave petition represented by its Secretary who left them without informing the outcome of the Special Leave Petition and after serious efforts, they came to know about the impugned order.

Having gone through the available material on record and order under review, we are not inclined to grant permission to the petitioners-applicants to file review petition.

Accordingly, Interlocutory Application No. 1 of 2013 for permission to file review petition is rejected.

Consequent upon rejection of interlocutory application for permission to file review petition, no order needs to be passed on the application for condonation of delay in filing review petition and exemption from filing certified copy of the order.
