the High Court under Article 136 of the constitution of India. The Special Leave Petitions are dismissed.

However, having regard to the fact that the petitioner is a developer and any delay would affect its interests, the matter requires to be disposed of by the High Court expeditiously. Knowing the heavy pendency in Bombay High Court, all that we can say is to expedite the hearing and record the submission of the parties that

they will co-operate with the High Court in an early
trial by way of affidavit/commissioner.
