In an appeal filed before the CEAGAT classification of two items was considered, namely, cotton based fabric laminates and bearing blanks. The view taken by the Tribunal in regard to cotton based fabric laminates is in accord with the decision of this Court in Collector of Central Excise Vs. Wood Polymers Ltd.- 1998 (1) SCC 665 and view taken by the Tribunal is correct. On the other aspect, the matter has been remanded to the original authority. Therefore, there is nothing in the matter to be considered. Hence, the appeals are dismissed.
