Heard learned counsel for the parties.

In our view, there is no substance in the application and it is accordingly rejected. However, time to hold the video conference is extended by a month and at the said video confernece only Dr. Kunal Saha will be examined. Witnesses would be examined at the time of final enquiry, if any. It is also clarified that at the stage of preliminary enquiry experts' opinion, which is already tendered by the applicant, would be taken into consideration.
