O R D E R

Despite the defects pointed out by the Registry in the office report dated August 29, 2012, we have carefully gone through the Review Petition and the connected papers.

There is a delay of 203 days in filing the Review Petition for which no satisfactory explanation has been offered. That apart, we see no reason to interfere with the order impugned. The Review Petition is, therefore, dismissed both on the ground of delay as well as on merits.
