UPON hearing counsel the Court made the following
O R D E R

We have heard the learned counsel appearing for the parties. It is stated by the counsel appearing for the respondents that at present no work is being carried out at the concerned place, which is the subject matter of the Civil Appeal No. 6642 of 2008, as there is some security problem in that area. We accept the said statement as also the statement of the counsel appearing for the appellant that the department does not intend to start operation in that area immediately. We, however, issue a direction that if at any point of time in future, the respondents take a decision to restart the work, they shall issue an advertisement for such work as against which all the intending candidates can submit their application, which shall be considered in accordance with law. Work shall be allotted to the person, who is found best, to work in that area.

The contempt petition stands disposed of and the matter is closed.
