O R D E R

Despite the defect pointed out by the Registry in the office report dated 23.01.2013, we have carefully gone through the review petitions and the connected papers.

There is a delay of 235 days in filing the review petitions for

which no application for condonation of delay has been filed. Even otherwise, we find no merit in the review petitions and the same are, therefore, dismissed on the ground of delay as well as on merits.
