Leave granted.  
Mr. B.B. Singh, who has been appearing in this case for the respondents including State of Bihar and the Corporation, states that there is no necessity for issuing any further notice to the unserved respondents in view of the order that is going to be passed in this case. The Division Bench of the Patna High Court did not interfere in appeal against the order of the learned Single Judge basically on the ground that the Court is over-burdened with large number of cases and entertainment of such cases would result in more flooding of cases. That can hardly be a ground for not exercising the jurisdiction and, in that view of the matter, we set aside the impugned judgment of the Division Bench of the Patna High Court and remit the Letters Patent Appeal No.

...2

1078/2000 to the High Court for being disposed of in accordance with law.  
The appeal stands disposed of accordingly.
