The petitioner is an Advocate, and for the services rendered to the respondents, as his bills were not being paid, he has approached this Court. The counsel appearing for the respondents states that major part of the professional fees has already been paid, but as 13 bills said to have been submitted by the petitioner were not available, no action has been taken thereon, and therefore some time may be given to obtain instruction in the matter. We are not inclined to adjourn this matter, as in our view this matter ought not have been reached this Court and should have been settled else where. Be that as it may, the respondents would examine the pending bills, and if those bills are payable, will be paid to the petitioner within a period of 3 months from today.

The Special Leave Petition is disposed of.
