

IN THE SUPREME COURT OF INDIA
CIVIL APPELLATE JURISDICTION
CIVIL APPEAL NO. 9699 OF 2013

THE STATE OF UTTAR PRADESH & ORS.

Appellant(s)

VERSUS

SURESHWATI

Respondent(s)

O R D E R

Having heard the learned counsel appearing for the respective parties and considering that it is not in dispute that all throughout and at least from the year 2000 onwards, the original writ petitioner (the respondent herein) lost the possession and the same remained with the NOIDA and also that the respondent was deprived of the amount of compensation, it cannot be said that the High Court has committed any error in awarding the interest for the period between 2000 to 2007.

However, at the same time and in the peculiar facts and circumstances of the case, and to put an end to the litigation, we reduce the interest from 9% per annum to 7.5% per annum.

The impugned Judgment and order passed by the High Court is modified to the above extent only.

The amount of interest, as per the present order,
be now paid within a period of six weeks from today.

With the above observations and directions, the
appeal is disposed of.

No costs.
