It seems the grievance of the petitioners is that the arbitration proceedings are not being followed up by the FCI. It is for the petitioner now to take steps under the provisions of The Arbitration and Conciliation Act, 1996. Without prejudice to the petitioners' rights in doing so, we dispose of this matter.

Mr. Ranjit Kumar submits that it is likely that the respondents will take up the issue of delay when he moves for reference to arbitration. We are not expressing any opinion on that aspect because that also is a matter for consideration when he moves for reference to arbitration. With these observations, this special leave petition is disposed of.
