O R D E R

Despite our orders dated 9th April, 2010, directions of this Court have not been complied with. We had given time to comply with the directions of this Court by 31st July, 2010. Despite that, those orders have not been complied with till date and again an application seeking for six months time has been filed. It is not possible for us to go on extending time in terms of the prayer but taking into consideration the fact that these applications were filed with the expectation that some more time would be given to the appellant, we extend the time to comply with the directions of this Court up to 31st March, 2011. However, we make it clear that no further opportunity will be granted to the appellant for the said purpose and if the ordered work is not completed by then, appropriate action will be taken against the defaulting person.
