UPON hearing counsel the Court made the following
O R D E R

We are not inclined to interfere in this matter. However, the learned counsel for the petitioner has brought to our notice the report dated 12th February, 2010 of the Chemical Examiner to the effect that the percentage of the Diacetyl Morphine could not be determined and has argued that this aspect should be considered by the Sessions Court once again. We, accordingly, dismiss the petition with liberty to move another application before the Sessions Court in the above terms.
