It is directed that in case the petitioner fails to vacate the premises in question within the aforesaid time, it would be open to the decree holder to file an execution petition for delivery of possession and in case such a petition has been already filed, an application shall be filed therein to the effect that the petitioner has not vacated the premises in question within the time granted by this Court. In either eventuality, the Executing Court is not required to issue any notice to the petitioner. The Executing Court will see that delivery of possession is effected within a period of fifteen days from the date of filing of the execution petition or the application aforementioned. In case for delivery of possession any armed force is necessary, the same shall be deputed by the Superintendent of Police within forty eight hours from the date requisition is received therefor. It is also directed that in case anybody else, other than the petitioner, is found in possession, he shall also be dispossessed from the premises in question.

Needless to say that if the respondents feel aggrieved by this

part of the order, it shall be open to them to seek its recall.
