O R D E R

1. Application seeking listing of the review petition in Open Court/Oral Hearing is rejected.
2. As per the Office Report dated 05.03.2025, the review petition was found defective and the reasons thereof were pointed out in the said Report. Despite the Registry's letter/e-mail dated 11.01.2024 to the learned counsel for the petitioner calling upon him to cure the defects, the defects have not been cured so far by the learned counsel for the petitioner.
3. Even otherwise, we find no merit in the Review Petition seeking review of the final Judgment and Order dated 04.10.2023, whereby the Miscellaneous Application preferred by the respondent No.6 (applicant) has been dismissed.
4. The Review Petition is dismissed as being defective and on merits also. Other applications, if any, pending also stand dismissed accordingly.
