The present review petitions are defective. Despite the defects being communicated to the counsel for the petitioner, the same have not yet been cured.

As per the review petitioner, she was two years of age on the date of adoption, that is, on 09.10.1989. Even if we accept this as correct, looking at other facts and circumstances of the case, no ground for review of the order dated 20.11.2023 is made out.

The review petitions are, accordingly, dismissed.

Pending application(s), if any, shall stand disposed of.
